To Our Valued Wood Pellet Customer:

Even with the heat of summer upon us, it's time to think about wood pellets!

This year, we will continue to stock **Dry Creek Premium**, and **Curran Renewable Premium** hardwood pellets.

**Both of these pellets are proudly manufactured in NY State!**

We now offer a Super Premium pellet from **Logik-E**, which gives you more BTU's with less ash, at an attractive introductory price.

Please don't let yourself be short this season!

Be prepared and take advantage of our summer program.

Our ton price is as follows through **July 31<sup>st</sup>**:

<b>Curran Renewable</b>	<b>40lb</b>	<b>\$309/ton</b>
<b>Dry Creek Premium</b>	<b>40lb</b>	<b>\$349/ton</b>
<b>Logik-E Super Prem</b>	<b>40lb</b>	<b>\$329/ton</b>

As always, delivery is available for an add'l fee. Please call for details.

Thank you for your continued patronage!
