To Our Valued Wood Pellet Customer:

Even with the heat of summer upon us, it's time to think about wood pellets!

This year, we will continue to stock **Dry Creek Premium**, and **Curran Renewable Premium** hardwood pellets, **both proudly manufactured in NY State!**

We now offer **Logik-E**, a Super Premium pellet with more BTU's, less ash, and at an attractive price.

Please don't let yourself be short this season!

Be prepared and take advantage of our summer program.

Our ton price (cash or credit) through **Aug 15th:**

Curran Renewable	40lb	\$339/ton
Dry Creek Premium	40lb	\$369/ton
Logik-E Super Prem	40lb	\$349/ton

As always, delivery is available for an add'l fee. Please call for details.

Thank you for your continued patronage!
